

Reflections from the Well*Girls Restored and Christ Exalted***Club H2O is on the move**

Well of GRACE Ministries has partnered with two community organizations in Benton Harbor in order to provide Club H2O to more girls. In March, Club H2O began offering classes at the Benton Harbor Girls Academy, an all girls' school that opened this past September. Currently, there are six girls enrolled in the school and Club H2O is one of their after-school activities.

We also plan to offer Club H2O classes at Mosaic Resale and Resource Center located off Pipestone Road behind Sophia's House of Pancakes. In addition to providing quality merchandise in their resale store, Mosaic is committed to providing services that strengthen families and connect communities together. Club H2O will be one of several programs that will be offered in their Resource Center.

We are very excited about these opportunities to reach more girls. We have come to recognize that lack of transportation has been a barrier preventing many girls from participating in Club H2O. In response, we are seeking opportunities to partner with area schools and community organizations to provide Club H2O at their sites. If you would like more information about Club H2O, please call our office at 428-9355 or e-mail us at contact.wellofgraceministries.com.

Our Mission: Well of GRACE Ministries is a non-profit, Christ-centered organization that transforms physically, emotionally, and spiritually wounded young women.

Thank you Tosi's Restaurant

A big thank you to Marge Wiatrowski and Tosi's Restaurant in Stevensville for treating our Club H2O participants to a fine dining experience to celebrate the completion of the 12-week sessions. Tosi's has graciously provided dinners to all of our girls who have participated in Club H2O in 2010. The dinners have been a great time for the girls and staff to get dressed up and share a nice meal together. Thank you Tosi's for making our Club H2O girls and staff feel very special!
